

NUMBER PARTNERS CHALLENGE 2017

VOLUNTEERING THAT COUNTS

Who

The competition is designed for Year 4-6 pupils participating in one of our Primary Partner Schemes, but pupils of all ages and backgrounds are welcome! Each school can enter multiple teams but there can be a maximum of four pupils supported by each volunteer or teacher.

What

In your teams you will complete 3 rounds of brain-bending number activities based on problem solving and logic. Teams will be sent an activity each week to complete during their 30 minute partner session.

When

Round One will be released on **Monday, 6 March** and teams have until **Friday, 31 March** to submit all three rounds. The highest scoring teams will be invited to a competition final in late May.

Get Involved

Register your team now by submitting a completed registration form before **Wednesday, 1 March**.

Email completed forms to Rubina.begum@thebp.co.uk or call on 0207 655 0306 for more information!

Prizes include games, trophies and certificates. The winners will also be taken to visit the **University of Sussex!**
