I would like to register a team to take part in the Numeracy Challenge 2019, which will run from **Monday 4 February to Friday 1 March**.

We will complete 3 weeks of activities during 30-minute sessions, with the hope of attending the Grand Final event on Thursday 4 April.

Each school can register more than one team, but teams must consist of no more than 1 business volunteer or teacher supporting 2-4 pupils. Please fill out one form per team.

I also agree to provide at least one adult to help with the refereeing and administration on the day of the Grand Final if my team make it through.
